Forced to flee after killing a man who was beating a horse, Juan the Lépero, who hides his mixed heritage to escape life as a beggar, embarks on a series of adventures as a highwayman, horse thief and wealthy caballero before resolving to rescue a man who once saved his life. Reprint.

The fascinating history of Mexico that began in the #1 New York Times bestselling novel Aztec continues Juan Rios comes from a long line of Aztec warriors. Slave to a Spanish gun-maker, he becomes the finest gunsmith and sharpshooter in colonial Mexico. But Juan has a secret life as the revolucion's #1 gun-runner. Juan falls for the beautiful Maria, a beautiful writer and fearless revolucionaria whose dream of freedom is a liability for them both. The hard-drinking, womanizing, con-man Luis becomes their last hope against the rack, the stake, and the blood-stained torture dungeons of the Inquisition. Aztec Fire sweeps readers on a perilous journey from the fabled ruins of ancient Tula to the slave-labor galleons of "the Manila Run" to a South Seas jungle island teeming with crocodiles, snakes, and blood-crazed cannibals. When Juan and his friends finally reach home, they find their country in flames, struggling against its hated Spanish oppressors. A conclusion to Apocalypse 2012 finds Rita Critchlow and Cooper Jones racing against time to locate the 1,000-year-old codex of god-king Quetzacoatl, a quest that mirrors the search of Montezuma empire slave-scholar, Pacal, 500 years earlier. Reprint.

In the colony of New Spain, where the once great Aztec people have been enslaved, Cristo the Bastard, a boy possessing the blood of both Aztec and Spanish royalty, follows his destiny to become the founder of a proud new people.

Forced to flee after killing a man who was beating a horse, Juan the Lépero, who hides his mixed heritage to escape life as a beggar, embarks on a series of adventures as a highwayman, horse thief, and wealthy caballero before resolving to rescue a man who once saved his life.

The fascinating history of Mexico that began in the #1 New York Times bestselling novel Aztec continues . . . Don Juan de Zavala was the most skilled fighter in all of New Spain—as gifted with weapons and horses as he was with women. These pleasures were all he desired. But the magnificent Aztec empire, its grand cities and riches lay broken under the Spanish boot . . . Now valiant men and fearless women rise and battle their brutal overlords. As a warrior-priest leads an Aztec revolt, across the ocean in Spain courageous people battle Napoleon's invading armies. No one, including Juan de Zavala could stay neutral. Especially if a shocking secret from Zavala's lurid past is exposed—a secret so lethal to the Spanish Crown it threatens their very existence. Zavala will be swept from glittering Mexico City to snake-and-croc infested jungles, to lost Mayan civilizations to the torture chambers of the Inquisition, to beautiful Barcelona and the bloody carnage of Napoleon's war in Spain, to the bloodiest and most spectacular of New Spain's (colonial Mexico) revolutions. Everybody wants Don Juan de Zavala . . . and many people want him dead: Isabella . . . Instinctively wicked, sinfully seductive. Father Hidalgo . . . Can a man of God take up the sword and lead a people by the hundreds of thousands into a bloody revolution he cannot control? Raquel . . . Attractive, sensuous, erudite, she challenges Juan with her mind—and her body. Marina . . . A gorgeous pure-blood Aztec, she knows too well the oppressor's rape and pillage of her people. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Gary Jennings's Aztec is the extraordinary story of the last and greatest native civilization of North America. Told in the words of one of the most robust and memorable characters in modern fiction, Mixtli-Dark Cloud, Aztec reveals the very depths of Aztec civilization from the peak and feather-banner splendor of the Aztec Capital of Tenochtitlan to the arrival of Hernán Cortás and his conquistadores, and their destruction of the Aztec empire. The story of Mixtli is the story of the Aztecs themselves---a compelling, epic tale of heroic dignity and a colossal civilization's rise and fall. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Constructing a ranch-fortress in the Southwest to prepare for an apocalypse about which she has seen visions since childhood, Lydia desperately seeks her daughter's ex, who went missing after discovering plans for a catastrophic attack.

Internationally bestselling author Wilbur Smith returns with Vicious Circle--a heart-racing story of family secrets, greed, and revenge. Hector Cross left behind a career of high risks and warfare when he married his beloved Hazel Bannock. But after his new life is tragically upended, he recognizes the ruthless hand of an old enemy behind the attack. Determined to fight back, Hector draws together a team of his most loyal friends and fellow warriors to hunt down those who pursue him and his loved ones. For he and Hazel have a child, a precious daughter, whom he will go to the ends of the earth to protect. Soon, however, Hector learns that the threat comes not just from his old enemies, but also Hazel's. Brutal figures from her family's past—thought long gone—are returning, with an agenda so sinister that Hector realizes he is facing a new type of adversary. One whose deadly methods and dark secrets will lead Hector to a series of crimes so shocking that he has no choice but to settle the score.
