The free-response questions in all exams have been replaced in this new edition in order to bring practice tests completely up to date and accurately reflect the latest AP Statistics exams.

Taken directly from the brand-new full-size 27th edition of Barron's Profiles of American Colleges, this shorter, up-to-date directory is designed for students who restrict their choice of schools to the northeastern United States. It presents complete profiles of all accredited four-year schools in Connecticut, Delaware, the District of Columbia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York State, Pennsylvania, Rhode Island, and Vermont

Up-to-date information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more, combine to make 27th edition of Profiles of American Colleges America's most authoritative source for information on colleges and universities. College-bound students, parents, and high school guidance counselors will find information on more than 1,650 accredited four-year colleges across the United States. A CD-ROM enclosed with each copy of this comprehensive directory presents an interactive format and lets students find individual schools by entering specific criteria. In addition to the above-cited information, each college profile gives details on admission requirements, library and computer facilities, athletic facilities, extracurricular activities, e-mail addresses, fax numbers, web sites, and more. Schools are rated according to Barron's famous competitiveness scale, from "Noncompetitive" to "Most Competitive." The book's extra section of tinted pages presents a complete, quick-reference Index of College Majors—listing all available major study programs at each school. Also profiled are many of the best-known colleges in Canada and several other countries.

This newly updated manual presents two full-length model AP World History exams with answer keys, plus detailed advice on answering the comparative essay question, and helpful strategies for answering the test's multiple-choice and document-based questions. An extensive subject review covers the following general areas: Foundations of World Civilization (8000 B.C.–1000 A.D.) World Cultures Maturing (1000–1450) World Cultures Interacting (1450–1750) World Cultures in the Modern Era (1750–1914) The 20th Century and Contemporary World Cultures (1914–2009) An optional CD-ROM presents and two additional full-length computerized model exams with automatic scoring.
