Calila: The Later Novels of Carmen Martín Gaité explores the last six novels by Spain's most honored contemporary woman writer. Its scholarship is enriched by the voice of Calila herself—as Brown called Martín Gaité, who was a dear friend—as they conversed and exchanged letters during the composition of the novels. The book opens with an introduction to Martín Gaité's life and literature and ends with a consideration of her legacy. Each central chapter analyzes a later novel in its historical, biographical, and critical contexts. From the young adult fantasy *Caperucita en Manhattan* (Red Riding Hood in Manhattan) to the post-Transition epistolary masterpiece *Nubosidad variable* (Variable Cloud), the Transition-era saga *La Reina de las Nieves* (The Farewell Angel), the Proustian reminiscence *Lo raro es vivir* (Living 's the Strange Thing), the narrative tapestry *Irse de casa* (Leaving Home), and the memoir of family secrets *Los parentescos* (Family Relations), these fascinating novels evoke themes that resonate today.

In *The Secrets of a Scoundrel*, New York Times bestselling author Gaelen Foley has created her most exciting Inferno Club novel yet! Nick, Lord Forrester, has a reputation that is legendary—both as a lethal warrior and a wicked lover. But when his rule-breaking ways land him in a Scottish dungeon, he's left there to rot, until a mysterious lady visits his cell and offers him a way out. All he must do is risk his neck on the mission she proposes—and obey her every command. One look at the luscious beauty has Nick ready to promise her anything, but he must resist his desire, or she could send him straight back to prison. Virginia, Lady Burke, is well aware that the powerful ex-spy will try to take command of their quest, but it's her job to keep him under control. Yet how can she keep this untamable scoundrel under her thumb when all she really wants is to unleash the smoldering passion between them?

Communication-based Spanish language text builds on a foundation of grammar and vocabulary. Secondary level.

What is your past? Did you already forget your past? People believed that past should be left behind. But can you really make it? Past is a vital part of human's life, therefore, it should be appreciated well. But what if your past contains the most important things in your life? Elcazar sisters know it well. Especially Xavandra who will never forget her past. De Dios brothers on the hand know it well too. Both families have something important in the past. Little did they know that what they know is just a pure lie. Because only their past knows the truth. One lie. One truth. And it's all in the past.
