When You Can Be Normal?. Now required reading in contemporary literature, Oranges Are Not the Only Fruit is a funny, poignant exploration of a young girl ' s adolescence.

Jeanette is a bright and rebellious orphan who is

adopted into an
evangelical
household in the
dour, industrial
North of England
and finds herself
embroidering grim
religious mottoes
and shaking her
little tambourine for
Jesus. But as this
budding missionary
comes of age, and
comes to terms

with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves.

Jeanette 's insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for

Online Library Ing The Cherry

an unforgettable
chronicle of an
eccentric, moving
passage into
adulthood. “ If
Flannery O ’ Connor
and Rita Mae Brown
had collaborated on
the coming-out
story of a young
British girl in the
1960s, maybe they
would have
approached the

quirky and subtle
hilarity of Jeanette
Winterson ' s

writers of our

Jeanette

Winterson ’ s bold
and revelatory
novels have
established her as a
major figure in
world literature.

Her internationally
best-selling debut,
Oranges Are Not

Online Library Ing The Cherry

the Only Fruit, tells the story of a young girl adopted by Pentecostal parents, and has become a staple of required reading in contemporary fiction classes. Why Be Happy When You Could Be Normal? is a “singular and electric” memoir

Online Library Ing The Cherry

about a life ' s work
to find happiness
(The New York
Times). It is a book
full of stories: about
a girl locked out of
her home, sitting on
the doorstep all
night; about a
religious zealot
disguised as a
mother who has two
sets of false teeth
and a revolver in

Online Library Ing The Cherry

the dresser, waiting for Armageddon; about growing up in a north England industrial town now changed beyond recognition; about the universe as a cosmic dustbin. It is the story of how a painful past, rose to haunt the author later in life, sending her on a journey

Online Library Ing The Cherry

into madness and
out again, in search
of her biological
mother. It is also a
book about the
power of literature,
showing how fiction
and poetry can form
a string of guiding
lights, or a life raft
that supports us
when we are
sinking. Witty,
acute, fierce, and

Online Library Ing The Cherry

celebratory, Why
Be Happy When
You Could Be
Normal? is a tough-
minded story of the
search for
belonging—for love,
identity, home, and
a mother.

the analysis of the
rewriting from the
two important
aspects of violence

Winterson enfolds
her seventh novel
within the world of
computers, and
transforms the
signal development
of our time into a

wholly human
medium. The story
is simple: an e-mail
writer called Ali will
compose anything
you like, on order,
provided you're
prepared to enter
the story as
yourself and risk
leaving it as
someone else. You
can be the hero of
your own life. You

just for one night.
But there is a price,
and Ali discovers
that she, too, will
have to pay it. The

Cyberspace, using
fairy tales,
contemporary
myths, and popular
