Joan Roís de Corella is one of the most renowned authors of fifteenth-century Catalan literature. His Story of Leander and Hero uses a well-known Vergilian and Ovidian motif of unremitting love that turns into tragedy. Corella retells the story adding to it a great dose of suspense and pathos and recasts it in the fashion of sentimental prose, a genre famous at the time and a clear precedent of the great narrative genre to flourish during the Renaissance in the Iberian Peninsula and Europe: the novel.

What was a hero in Classical Antiquity? Why is it that their characteristics have transcended chronological and cultural barriers while they are still role models in our days? How have their features changed to be embodied by comic superheroes and film? How is their essence vulgarized and turned into a mass consumption product? What has happened with their literary and artistic representation along centuries of elitist Western culture? This book aims at posing these and other questions about heroes, allowing us to open a cultural reflection over the role of the classical world in

the present, its meaning in mass media, and the capacity of the Greek and Roman civilizations to dialogue with the modern world. This dialogue offers a glimpse into modern cultural necessities and tendencies which can be seen in several aspects, such as the hero's vulnerability, the archetype's banalization, the possibility to extend the heroic essence to individuals in search of identities – vital as well as gender or class identities. In some products (videogames, heavy metal music) our research enables a deeper understanding of the hero's more obvious characteristics, such as their physical and moral strength. All these tendencies – contemporary and consumable, contradictory with one another, yet vigorous above all – acquire visibility by means of a polyhedral vehicle which is rich in possibilities of rereading and reworking: the Greco-Roman hero. In such a virtual and postmodern world as the one we inhabit, it comes not without surprise that we still resort to an idea like the hero, which is as old as the West.

Saskia ha una relazione stabile con Aron, un uomo bello e gentile. Tutto sembra perfetto. Ma Saskia una sera, in un locale, incontra Hero, un donnaiolo, e in lei si scatena una tempesta emotiva cui non è preparata. Temendo di poter fare qualcosa di dummo, fugge letteralmente a casa, dove la attende una sorpresa: in camera trova Aron, completamente nudo, tra le gambe di un'altra donna. Con il cuore spezzato, Saskia si trasferisce temporaneamente da suo fratello, che la ospita amorevolmente. Ma neanche qui può trovare la tranquillità necessaria né gunttere chiaramente. Perché quello che non sapeva fino a quel momento è che suo fratello ha da poco un nuovo coinquilino. E il suo nome è Held. Saskia hat eine stabile Beziehung mit Aron, un uomo bello e gentile. Tutto sembra perfetto. Ma Saskia una sera, in un locale, incontra Hero, un donnaiolo, e in lei si scatena una tempesta emotiva cui non è preparata. cuore spezzato, Saskia si trasferisce temporaneamente da suo fratello, che la ospita amorevolmente. Ma neanche qui può trovare la tranquillità necessaria né gunttere chiaramente. Perché quello che non sapeva fino a quel momento è che suo fratello ha da poco un nuovo coinquilino. E il suo nome è Held.

Alcuni eroi non nascono... vengono costruiti. Westley Worthington ha trovato l'amore della sua vita: Cordelia, ma, dopo averla respinta per proteggere la famiglia di lei, teme di averla persa per sempre. Cordelia Cross non ha mai provato per nessuno quello che prova per West, ed è proprio per questo che è determinata a tenere le distanze. Quando West teme di perdere la sua fortuna, i suoi amici e la sua stessa vita, deve imparare che ci vuole più di una forza sovrumana per essere un eroe agli occhi di chi si ama. Riuscirà salvare la situazione ancora una volta, prima che la tecnologia che ha salvato lui lo uccida? Scopritelo in *Upgraded*, l'ultimo romanzo della trilogia di Tasha Black, autrice di bestseller secondo USA Today.

Los héroes están en todas partes: en las escuelas, los comercios, los hospitales y las grandes avenidas. Caminan entre nosotros y nada hay que los distinga de entre la multitud salvo la determinación y el valor. Su capacidad de alzarse en el momento preciso para hacer algo que nadie más se atrevería a hacer, es su principal característica. México siempre ha estado poblado de ellos: mujeres que no temen unirse a las luchas armadas, disciplinados estrategas militares que van más allá del deber, jóvenes que arriesgan su vida y futuro por una noble causa, paladines que lo dan todo, aunque a cambio no reciban nada. Dicho de otra forma, patriotas en toda la extensión de la palabra. Este libro rescata algunas de sus historias: desde una valiente cazadora de la época de las cavernas hasta un bravo piloto del escuadrón 201 que participó en la Segunda Guerra

Miss World going Deshi : addressing an Indian television audience with a global media product / Norbert Wildermuth. Communicating models : the relevance of models for research on the worlds of the internet.

Featuring the work of more than fifty poets writing across the last eight decades, *Only the Road / Solo el Camino* is the most complete bilingual anthology of Cuban poetry available to an English readership. It is distinguished by its stylistic breadth and the diversity of its contributors, who come from throughout Cuba and its diaspora and include luminaries, lesser-known voices, and several Afro-Cuban and LGBTQ poets. Nearly half of the poets in the collection are women. *Only the Road* paints a full and dynamic picture of modern Cuban life and poetry, highlighting their unique features and idiosyncrasies, the changes across generations, and the ebbs and flows between repression and freedom following the Revolution. Poet Margaret Randall, who translated each poem, contributes extensive biographical notes for each poet and a historical introduction to twentieth-century Cuban poetry.
